

Reporting Safety Hazards or Concerns

To report a safety hazard that requires immediate attention call the College Police Department at 836-9655. For all other hazards call 494-5445 or e-mail the Department at: cacpolice@centralaz.edu. Be sure to include the following:

- Your name, department, and extension
- The date and time
- The nature of the hazard
- The specific location of the hazard

The College has a system of anonymous notification whereby employees who wish to inform management of workplace hazards may do so anonymously by sending a written notice/letter to the College Police Department. The Police Department will investigate all such reports in a prompt and thorough manner.

Note: An employee will not be discharged or discriminated against for making any oral or written complaint to their supervisor, department head/chair, the College Safety Committee, Police Department or any governmental agency having regulatory responsibility for occupational health and safety.
