

Area of Interest: Visual, Fine & Performing Arts

Degree: Entertainment Industry Technology, Associate of Applied Science (AAS)

Emphasis: Music Recording & Production

Stackable Certificate: Recording Engineering

College Catalog: [2024-2025](#)

Program Location: Signal Peak Campus

Program Description: This hands-on, technology-focused program will prepare students for an exciting career in the music industry. Students will learn to use state-of-the-art technology in practical settings to gain knowledge and experience to compete in the industry of modern music entertainment. The Entertainment Industry Technology AAS Degree offers two emphases: Music Recording & Production, and Stage Lighting. The Music Recording & Production Emphasis concentrates heavily on recording engineering, mixing, and mastering in a recording studio environment, as well as live sound production.
