

**Area of Interest:** Biological/Physical Sciences & Agriculture

**Degree:** Equine Management & Training (AAS)

**Stackable Certificate:** Equine Management & Training

**College Catalog:** [2024-2025](#)

**Program Location:** Signal Peak Campus

**Program Description:** The Equine Management & Training degree contains two emphases for the Associate of Applied Science degree. Students may complete a horse trainer or equine business management program of study. The degree prepares students for employment in a variety of areas in the horse industry. Classroom activities & practical laboratory experiences are provided in both options. Students are required to supply their own horse & tack.
