

Area of Interest: Industrial Technology & Skilled Trades

Certificate: Industrial Carpentry

College Catalog: [2024-2025](#)

Program Location: All Campuses

Program Description: The Industrial Carpentry Certificate prepares individuals for an entry-level position in the construction carpentry field. The program focuses on fundamental knowledge attained in accordance with NCCER standards. Options within the certificate allow individuals to tailor his or her career pathway with additional skill sets. This certificate is upward compatible with a stackable certificate in advanced industrial construction or advanced concrete carpentry.
