Certificate: OB/GYN Sonography

College Catalog: [2025-2026](#)

Program Location: Superstition Mountain Campus

Program Description: The OB/GYN Sonography Certificate Program is designed to provide specialized training for healthcare professionals, including OB nurses and practitioners, seeking to enhance their expertise in obstetric and gynecologic sonography. This comprehensive program covers the essential aspects of OB/GYN imaging, focusing on topics such as fetal development, prenatal screening, gynecologic conditions, and the use of sonography in both routine and high-risk pregnancies. Students will gain hands-on experience with the latest imaging technology, enabling them to perform diagnostic sonographic procedures with precision and confidence. Upon completion, graduates will be equipped with the skills and knowledge necessary to pursue certification and contribute to the growing demand for skilled professionals in OB/GYN sonography.
