

ASSESSMENT REPORTING FORM

(To be Completed by Faculty)

Program or Course: NTR191 Nutrition Counseling BASELINE DATA from Spring 2021
Date: 4/14/2021
Number of Student Participants: 8
Number of Faculty/Staff Participants: 1
Name of person completing report: Sheri Steincamp
Assessment Reporting Form: This report is to show that assessment is occurring and that the results are being used to make changes to improve student learning. The assessment being reported could be an assessment of a Program Learning Outcome (PLO) or a Measurable Student Level Outcome (MSLO). Each program should be assessing and gathering data for at least two PLOs OR two MSLOs that contain CSLOs each year.
<p>1. What PLOs and/or MSLOs and CSLOs did you assess this year?</p> <p>MSLO #3 (Application Level) Implement a counseling model and a motivational algorithm to direct the flow of a counseling intervention and write a counseling intervention using two methodologies. (CSLO2)</p>
<p>2. Describe the assessment method used and criteria for successful achievement of student learning outcomes. (e.g., rubrics, licensing exam, internship, portfolio, exam, research paper, performance exam, EAC, etc.)</p> <p>The Stages of Change/Readiness to Change Project is assessed with a rubric and the criteria is as follows:</p> <p>MSLO #3 (Application Level) Implement a counseling model and a motivational algorithm to direct the flow of a counseling intervention and write a counseling intervention using two methodologies.</p> <p><i>Entry-level Skill Demonstrated-100%: Described and provided a written description of the two methodologies implemented.</i></p> <p><i>Beginning Skills Demonstrated-80%: Partially described and provided a written description of the two methodologies implemented.</i></p> <p><i>Needs Improvement-25%: Did not describe and provide a written description of the two methodologies implemented.</i></p>

3. How many students were proficient in the PLOs OR MSLOs and CSLOs and how many were not? What was determined as proficient? (i.e. 70% = proficient)

Beginning Skills Demonstrated-80% (Partially described and provided a written description of the two methodologies implemented) is determined as proficient.

7/8 students (87.5%) were proficient with 1 student (12.5%) earned needs improvement or 25% proficiency.

4. What changes/improvements were made or will be made in response to the outcomes of the assessment process?

As 7/8 student were proficient in meeting this SLO no changes were made in response to the outcomes of this assessment. The instructor provided feedback to the student.

Feel free to attach your PLOs OR MSLOs and CSLOs and indicate which were assessed
