

# 2017 -2018 Verification Worksheet

## Federal Student Aid Programs

**Independent**

Your Free Application for Federal Student Aid (FAFSA) is selected for a review process called “Verification.” This process is used to verify certain information on the FAFSA to ensure its accuracy. The federal government requires colleges and universities to verify or confirm the data reported on the FAFSA application before awarding Federal Student Aid. Documents requested will be compared with your application, any discrepancies found will be corrected and reported back to FAFSA.
