**Online Articles**  
[Academic Onefile](#)  
There are a few articles on the subject of **Native Americans (Southwestern United States)**.

Another option is to click on **Browse Subjects** in the light blue bar and search for specific tribes by name. Use the '+' link next to the tribe's name in the list of results to find articles on specific topics within that tribe. (For example: "Myths and Legends").

Finally, you can search for specific events or customs using either a basic keyword search back at the home page.

**OmniFile**  
First make sure that the box labeled **OmniFile Full Text Select** located in the Database Selection Area is checked. There is no broad subject term for Native Americans of the Southwest in OmniFile. Instead, you can perform a subject search of specific geographic locations in the Southwest by clicking the Advanced Search link and selecting **Subject(s)** from the drop down menu to the right of the FIND box prior to entering your search term. (For example: "Native Americans New Mexico" or "Native Americans Arizona").

You can also search for tribes by name, specific events, or customs, as subject terms using the same method described above. (For example: "Navajo Indians").

Finally, to find more specific topics related to your search term, you can browse the New Search By Subject column located to the left of the results.

**American Mosaic: American Indian Experience**  
You can find encyclopedia entries, images, tribal resources, a timeline, and more. Try searching by keyword for tribes, events, customs, etc., or browse through the provided subject areas.
