

HIGH SCHOOL MATH CONTEST FORMAT

Team competition has three levels:

Level I Up to and including first year Algebra.

Level II Second year Algebra and/or Geometry without Trigonometry.

Level III Above second year Algebra with Trigonometry

- The cut off scores for the students who will move on to the Open Competition based upon the qualifier round will be determine day of contest; this is based on student performance as a whole.
- Top 3 teams per level with the highest scores will move on to the open Competition as well as be awarded medals for placing 1st, 2nd, and 3rd in the competition.
- There are Tie breaker questions determined prior to the contest in case of a tie on the Team competition. This information is internal.
- Each school will also be awarded 1st, 2nd and 3rd place based upon how many points are accumulated throughout the mentioned above competitions. There will be 5 pts awarded for 1st place, 3 points for 2nd place, and 1 point for 3rd place. These placements come from both the Team Competition and Individual competitions. Schools are awarded plaques for placement.
