

HIGH SCHOOL MATH CONTEST FORMAT

Team competition has three levels*:

Level I Up to Algebra 1: Functions, Algebra, Number & Quantity, Statistics & Probability (Measures of central tendency/independent and dependent events).

Level II Up to Algebra 2 and/or Geometry without Trigonometry: Functions, Algebra, Number & Quantity, Statistics & Probability(Set Theory).

Level III Above second year Algebra with Trigonometry, including Pre-Calculus and Quantitative Reasoning.

*Arizona state standards

- The cut off scores for the students who will move on to the Open Competition based upon the qualifier round will be determine upon completion of qualifier; this is based on student performance as a whole.
- Top 3 teams per level with the highest scores will move on to the open Competition as well as be awarded medals for placing 1st, 2nd, and 3rd in the competition.
- There are Tie breaker questions determined prior to the contest in case of a tie on the Team competition. This information is internal.
- Each school will also be awarded 1st, 2nd and 3rd place based upon how many points are accumulated throughout the mentioned above competitions. These placements come from both the Team Competition and Individual competitions. Schools are awarded plaques for placement.
