STUDENT CODE OF CONDUCT

I. Introduction

A. Purpose of Code

Central Arizona College is an educational institution committed to excellence in learning, student achievement and success, leadership, and service to community, and to providing a quality environment for achieving personal excellence and growth. The Student Code of Conduct (the Code) sets forth standards that are expected of all students and is developed as a means of implementing fair and consistent standards of student conduct and due process procedures. The Code outlines students' rights and responsibilities and the College's expectations with respect thereto. Every student is expected to be aware of the obligations and responsibilities imposed by the Code and comply with it.

B. Application of the Code

The Code is intended to regulate the conduct of an individual student or student organization, and/or to provide the ability to discipline a student or student organization. A student is subject to this Code whenever the student (1) is on College premises, (2) at a College-sponsored event, (3) is traveling with a College team or organization or as a representative of the College, or (4) has engaged in misconduct that is in any other manner College-related or affects the order or operation of any College function whether or not such conduct occurs on College property or at a College-sponsored activity. For the purpose of this paragraph, the term "College premises" includes all property owned or controlled by the College. All forms of sexual misconduct and/or discrimination involving students are resolved under College Policy 505.

C. Policy Prohibiting Misconduct

A student shall not commit or attempt to commit, induce or solicit another to commit, or conspire to commit, any of the infractions listed College Procedure 204. Prohibited Conduct includes, but is not limited to the following:

1. Alleged conduct that may violate any local, state or federal law. Any attempt to commit one or more acts of unlawful conduct may be sanctioned. Any attempt to conceal an act of unlawful conduct is subject to sanctions to the same extent as completed acts.
2. All forms of student academic dishonesty, including but not limited to, cheating, inventing facts or sources, causing others to be dishonest, or representing another's words as one's own.

Cheating. Cheating is defined as the use or attempted use of information, academic work, research or property of another as one's own. Cheating includes, but is not limited to, plagiarism, sharing knowledge during an examination, the unauthorized use of notes or other materials in an examination, or the willful disobedience of testing rules.

7. Initiating, causing or contributing to any false report, warning or threat of fire, explosion or other emergency.

It is no defense to a violation of this policy if the victim consented or acquiesced to hazing.

21. Engaging in harassment or repeated unwanted conduct. Harassment is conduct toward an individual that would disturb or annoy a reasonable person under similar circumstances. This conduct includes, but is not limited to, stalking, and all forms of verbal, physical and/or online harassment that is not discriminatory (on the basis of a protected class). The College may consider, on a case by case basis, a request for re-admission from a student who has been previously expelled or suspended.

Determining What Sanction to Impose

When determining what sanction to impose, the College may consider:

- The nature and severity of the current infraction committed by the student;
- Whether the infraction committed by the student was in whole or in part intended to frighten, harm, injure, intimidate or harass an individual and was motivated in whole or in part by the offending student's bias. The offending student's bias may include, but is not limited to, bias based on race, color, sex, national origin, religion, age, sexual orientation, marital status, physical or mental handicap, medical condition, military status or genetic test information.
- Prior infractions committed by the student at the College or at any other educational institution including, but not limited to:
 - a. the nature and severity of the prior infractions;
 - b. whether the prior infractions resulted in sanctions;
 - c. the sanctions imposed for the prior infractions.
- The student's disciplinary record at the College or at any other educational institution.

II. Due Process Procedures

Filing Charges

Any CAC student or staff member may complete and submit an Incident Report when it appears that a Code of Conduct violation has occurred. The Incident Report Form should, to the extent reasonably possible state facts, including specific names, dates, locations, and descriptions of the allegation to enable the Student Services Dean/Designee to determine the nature of the Code of Conduct violation. The incident report may be submitted at: <https://cm.maxient.com/reportingform.php?CentralAZCollege>.

Removal from Class

An instructor may remove a student from class meetings for disruption of the educational environment or Code of Conduct violations. In such cases, an Incident Report form must be filed and submitted.

If an instructor removes a student for more than one (1) class period, the instructor shall notify their immediate supervisor and the Academic Dean in writing of the problem, action taken by the instructor, and the instructor's recommendation.

If a resolution of the problem is not reached, the student may be removed permanently pursuant to appropriate due process procedures. The student will be permitted to attend class pending the outcome under due process policies and procedures.

Interim Action

At any time following the submission of a written referral, the Student Services Dean/Designee may suspend a student for an interim period prior to resolution of the disciplinary proceeding. The Dean may do so if he/she believes that the information supporting the allegations of misconduct is reliable, and determines that the continued presence of the student on the College poses a threat to any individual, property or College function.

The decision to suspend a student for an interim period will be communicated in writing to the student, and will become effective immediately as of the date of the written decision.

The interim suspension will remain in effect until a final decision has been made on the pending charges or until the Student Services Dean/Designee determines that the reasons for imposing the interim suspension no longer exist.

A student who is suspended or removed for an interim period will be provided an opportunity to respond to the allegations of misconduct as soon as reasonably possible but no later than five (5) business days following the effective date of the interim suspension.

Review and Decision

The Dean/designee will make an initial determination as to whether there is a sufficient basis to believe that a violation of the Student Code of Conduct may have occurred.

If the Dean of Students/Designee determines that there is a sufficient basis to believe that a violation of the Student Code of Conduct may have occurred, then the incident report will be assigned to a Hearing Officer for further investigation. The Hearing Officer will promptly notify the student in writing of the alleged violation and will gather further information, if needed, by interviewing the complainant(s) and witnesses and reviewing documents. Members of the College community will be expected to comply with any request or directive issued by the Hearing Officer in connection with a disciplinary proceeding, unless compliance would result in significant personal hardship or substantial interference with normal College functions.

A student who is charged in a Student Code of Conduct referral will be provided an opportunity to meet with the Hearing Officer. A student who fails to attend the meeting with the Hearing Officer will forfeit his/her right to respond on his/her behalf and to request a Student Conduct Committee hearing on any disciplinary decision regarding the alleged violation, unless the student can demonstrate that an extraordinary circumstance prevented his/her appearance. The Hearing Officer may make a decision without the student's input.

At the meeting the student will be provided with the following:

- An explanation of the charges which have been made;
- A summary of the information gathered;
- A reasonable opportunity for the student to reflect upon and respond on his/her own behalf to the charges; and
- A summary explanation of the applicable disciplinary procedures, including the student's right to request a Student Conduct Committee hearing.

If necessary, any further information gathered will be presented to the student and an additional opportunity to respond will be provided.

The Hearing Officer will determine whether it is more likely than not that a violation of the Student Code of Conduct has occurred and, if so, will decide on an appropriate disciplinary sanction to impose.

The Hearing Officer will inform the student of the decision, in writing, within five (5) business days of the student's last opportunity to respond. When feasible, this information will also be communicated in a face-to-face meeting.

The written decision will include a statement of the charges, the determination, and the sanction to be imposed, if any. This decision is final, unless the student requests a Student Conduct Committee hearing to review a decision of expulsion, suspension, or residence hall eviction.

If the sanction imposed includes expulsion, suspension or residence hall eviction, the student will be informed of his/her right to request a hearing before a Student Conduct Committee. The student files a Request for Student Conduct Committee form with the Vice President of College Affairs/designee no later than five (5) business days following the date on which the notice was posted or personal delivery of the written decision.

The filing of a timely Request for Student Conduct Committee Form will suspend the imposition of the disciplinary sanction pending the outcome of the hearing. If the sanction is suspension, expulsion or residence hall eviction and the student requests a hearing, the student will not be permitted to graduate or receive an academic transcript until the hearing process has been concluded. If the student elects not to request a review of the Hearing Officer decision, then that decision is a final decision which becomes effective immediately.

III. The Student Conduct Committee

Purpose of the Committee

The Student Conduct Committee shall serve as the Hearing Board for students' alleged violations of the Student Code of Conduct and provide recommended course of action.

Composition

The composition of the committee members will include:

A quorum of five (5) voting members is necessary to conduct a Student Conduct Committee hearing.

Pre-Hearing Procedures

The Hearing Board members will be notified in writing of their selection.

The Dean of Students will convene the Board no later than twenty (20) business days following receipt of the student's written request for a hearing.

The Dean of Students will prepare and send a written notice to the student no less than eight (8) business days prior to the date set for the hearing. The notice will be delivered personally, via email or by mail directed to the address furnished by the student on his/her hearing request. The notice will include:

- The date, time and location of the hearing;
- A written statement of the charges which specifies the allegations of misconduct in sufficient detail to enable the student to respond;
- A copy of this Student Code of Conduct;
- A list of the names of all Hearing Board members;
- The name of a College representative who will be presenting evidence in favor of sustaining the discipline that has been imposed. This may or may not be Dean of Students.

This individual shall be referenced below as the College Representative. When a reference is made in this portion of the Code to the "parties," it means the student and the College Representative.

If the student cannot attend the hearing on the date scheduled for the hearing due to extraordinary circumstances, he/she must notify the Vice President of College Affairs in writing. He/She will determine whether to approve or deny the request to re-schedule the hearing.

No later than four (4) business days prior to the hearing, the parties will exchange the following information in writing:

- A list of the names of witnesses who may be called to speak at the hearing;
- The names the members serving on the Hearing Board;
- The name and title of the person who will present the evidence on behalf of the College, and the name of the advisor, if any, who will be present to assist the student. A student's advisor may not represent the student during the hearing.
- Please note legal representation is permitted only in cases of on-going civil litigation or criminal prosecution. A student's legal representative may represent them during the hearing.

A student may challenge the participation of any member of the Hearing Board on the grounds of personal bias by submitting a written statement to the Vice President of College Affairs setting forth the basis for the challenge no later than five (5) business days prior to the hearing. The chairperson will determine whether to sustain or deny the challenge. If the challenge is sustained, a replacement member will be appointed to serve on the Hearing Board. If a challenge is filed against the chairperson, the Vice President of College Affairs will rule on the challenge.

Conduct of the Hearing

The student who is charged with the misconduct may be assisted throughout the proceeding by an advisor, however the advisor may not speak on behalf of the student. If the student is advised by an attorney, the chairperson/ designee and or College Representative also may be advised by an attorney.

In order to preserve the confidential nature of the disciplinary process, and to protect the privacy interests of the student who is charged with the violation and the witnesses who may be called to testify, the hearing will be closed.

During the hearing, the student shall have the right to (1) present evidence and witnesses; and (2) question adverse witnesses. All witnesses shall be placed under oath before testifying.

The chairperson will preside at the hearing and will rule upon all procedural matters. The formal rules of evidence will not apply, although objections to the introduction of specific statements or documents may be considered by the chairperson. Irrelevant, immaterial, privileged or unduly repetitious information will be excluded. The chair may establish reasonable limits upon the time allotted to the student and the College Representative for oral presentation and examination of witnesses.

The College Representative will present the information which supports the charges, and will have the burden of showing that a violation of the Student Code of Conduct was more likely than not to have been committed by the student.

The student who has requested the hearing will present statements or written information on his/her own behalf. A student who fails to appear at the hearing will be deemed to have abandoned his/her request, unless the student can demonstrate that an extraordinary circumstance prevented his/her appearance.

The hearing will be recorded manually or by a recording device.

Witnesses will be excluded from the hearing except during their own testimony.

The order of presentation will be as follows:

1. Opening statement by the College
2. Opening statement by the Student charged
3. Presentation by the College
4. Presentation by witnesses for the College
5. Questions from the Student charged
6. Questions from the Committee, which may include asking for past context

8. Presentation by witnesses for the student charged
9. Questions from the College;
10. Questions from the Hearing Panel;
11. Closing statement by the College;
12. Closing statement by the Student charged.

Hearing Board Deliberations and Recommendations

Following the presentation of information and closing statements, the members of the Hearing Board will discuss the information that has been presented and the reasonable inferences to be drawn from this information prior to reaching their decision. Only the members of the Hearing Board and its legal advisor, if any, may be present during the deliberations.

When determining whether a student committed an infraction, the Hearing Board may consider only the alleged incident that is the subject of the hearing unless there is evidence of a habit or routine practice of the student that is relevant to prove that the conduct of the student on a particular occasion was in conformity with the student’s habit or routine practice. Other than as set forth in the preceding sentence, a student’s prior misconduct at the College or at another educational institution is not relevant to the question of whether the student committed an infraction. Such information, however, can be admitted and is relevant on the topic of what sanction is appropriate if an infraction has been established.

Based solely upon the information presented during the hearing, the Hearing Board will formulate a recommendation, including the appropriate sanction, to the Vice President of College Affairs. A majority vote is necessary to make any recommendation.

The Hearing Board will render its recommendation following the hearing and will communicate that recommendation to the Vice President of College Affairs/Designee no later than two (2) business days following the conclusion of the hearing. The written recommendation will include basic findings of fact and will be signed by the chairperson. The decision of the Vice President of College Affairs/Designee is final.

IV. Miscellaneous

1. Searches

- a. A search of a student or the student’s personal property (including a motor vehicle parked on College property) may be conducted if the College has a reasonable suspicion that the student possesses or the property contains an item or items, the possession of which violates state, federal or local law, College policy or regulation.
- b. In conducting a search of a student or the student’s personal property, the College must consider the intrusiveness of the proposed search in light of the age and sex of the student and the nature of the suspected infraction.

2. Seizures

- a. Illegal items or other possessions reasonably determined to be a threat to the safety or security of others shall be seized by College personnel and/or legal authorities.
- b. Items which are or may be used to disrupt or interfere with the educational process may be removed from the student’s possession.

3. Warrants

- a. If a search warrant is served, every reasonable effort should be made to cooperate with law enforcement officers.

2) If a student does not attend any disciplinary hearing, or if the student withdraws from the College after receiving notice of possible disciplinary action, the discipline procedures may continue and the results of the discipline process may be recorded in the student’s permanent file.

3) Technical and/or procedural violations of the Code that are not prejudicial to the student shall not invalidate any imposed discipline.

These policies and procedures supersede all previous statements and policies with respect to student rights, responsibilities and disciplinary procedures including, but not limited to, the policy statement contained within the College Catalog.

Disciplinary procedures are designed to allow for fact-finding and decision making with “education” as the primary motive.

Limited officer coverage is also available at the other campuses at various times of the year. Campus Security is used to provide safety and security protection at the Superstition Mountain Campus and San Tan Campus. These individuals are not empowered to make arrests; however, a close working relationship is maintained with the local law enforcement agencies in each area. The Maricopa and Aravaipa Campuses, and Casa Grande/Florence centers are patrolled by the local police agencies having jurisdictional control at each location.

Department Mission

The Central Arizona College Police Department is a duly established law enforcement agency responsible for providing law enforcement and security services to the campuses and centers of Central Arizona College. The mission is to safeguard the lives and property of the people we served within the campus communities, to reduce the incidence and fear of crime and to enhance public safety while working with the community to provide an atmosphere that is conducive to the pursuit of the College’s primary function – education. In carrying out the department’s responsibilities, officers will do so with honor and integrity, while at all times conducting themselves with the highest ethical standards to maintain public confidence.

Central Arizona College Campus Police Officers patrol the Signal Peak Campus and areas immediately adjacent to the campus in a proactive manner. These patrols may be conducted by vehicle, bicycle, or on foot, and may be conducted in conjunction with other police agencies. The Department’s patrol operations are continuous; a police officer is on duty on the Signal Peak Campus 24 hours a day, 7 days a week, 365 days a year. Reports of a non-emergency nature, regardless of campus location, should be made to the Police Department at 520-836-9655. When reporting a crime or an emergency, try to call from a safe location. Remain calm and be prepared to answer the following questions:

- The location of the emergency, including the campus address and the exact location of the incident on campus.
- The nature of the emergency (fire, medical, hazardous material, etc.).
- How many people are injured and the extent of their injuries?
- How did it happen?
- When did it happen?

Annual Security Report /Clery Act

The Student Right to Know and Campus Security Act of 1990, recently renamed “The Jeanne Clery Disclosure of Campus Security and Crime Statistics Act,” was enacted by Congress and signed into law in November of 1990. In 2000, 2008, and most

recently in 2014, Congress significantly amended the law, expanding the reporting criteria. In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the CAC Police Department issues an annual report to provide an overview of the college's security resources, policies and procedures, as well as crime statistics. The report is updated annually and is available on our website: <https://centralaz.edu/contact-us/campus-police/> or copies are available at the Central Arizona College police department.

STUDENT COMPLAINT PROCESS

Student Conduct Incident

Central Arizona College (CAC) requires students to follow a code of conduct that emphasizes important values for both the classroom and the workplace. Learn more about the Student Code of Conduct in a later section of this Student Handbook.

If you have witnessed an incident on-campus (or off-campus at a College sponsored event) or have been involved in an incident, please use our online Incident Report Form to report it. The college provides this form to alert the appropriate office that an incident has occurred and to begin the investigation.

Reports of crimes should always be made directly to law enforcement. The incident report is in addition to, and not in lieu of, a police report: <https://centralaz.edu/contact-us/campus-police/>

Student Concern or Complaint with a Specific Office

CAC promotes an open educational environment. The college encourages all students and community members to first direct their complaints and concerns to the staff, or administrator specifically involved. If the situation cannot be remedied at this level the student may contact the staff or administrator's immediate supervisor. Click here for a Staff Directory: <https://centralaz.edu/nexusphp/cacdirectory.html>

In addition, they may fill out the form below and their concern will be followed up by the appropriate supervisor. https://cm.maxient.com/reportingform.php?CentralAZCollege&layout_id=2

Please be aware that providing false information to a College Official is a violation of the Student Code of Conduct. A Student who is suspected of this will be adjudicated through the student conduct process as per the Student Handbook.
