About Central Arizona College
Central Arizona College opened its doors in 1969 to bring higher education to Pinal County. CAC serves and educates the diverse communities of Pinal County. From students of Hispanic and Native American descent to participants in the lifelong learners program, the institution’s diverse college community values the power of innovation, continuous quality improvement, and the contribution of the individual.

With five campuses and three centers located strategically throughout the county, CAC provides accessible, educational, economic, cultural, and personal growth opportunities for those of all ages.

The College’s talented and innovative faculty and staff is dedicated to fostering a spirit of learning.

Vision, Mission, & Values

Vision:
Central Arizona’s premier choice in education and career excellence.

Mission:
Central Arizona College serves as a TRUE Learning community by empowering our students and staff to succeed. Teaching. Reaching. Understanding. Empowering. Learning.

Values:
Accountability
Communities
Trust

Strategic Goals:

Student Success
Ensure student success through retention, persistence, completion, and transfer

Access
Ensure all Pinal County residents and others have access to high quality innovative post-secondary opportunities

Workforce
Ensure students acquire the skills necessary for job placement and that meet employer needs in Pinal County and Region

Community
Ensure Pinal County residents have access to lifelong learning and cultural enrichment

Environment
Ensure a safe, sustainable environment that promotes learning, communication, diversity and satisfaction among students and employees.

Stewardship
Ensure optimization of fiscal resources through a balanced budget to support the needs and expectations of students and the community

Infrastructure
Ensure a physical and technological infrastructure that support changes in learning and working environment
**What You Represent**
Central Arizona College (CAC) is a public institution. As a CAC student-athlete you represent the public community, the college, your team, your family and yourself. As part of the CAC’s commitment to excellence and integrity, you must behave in a socially responsible and acceptable manner.

This handbook has been prepared so student-athletes at CAC can become acquainted with the procedures and general regulations which have been established by the College, the Arizona Community College Athletic Conference (ACCAC), and the National Junior College Athletic Association (NJCAA).

---

**Athletic Department Objectives**
Athletic expectations are high at Central Arizona, but so are the academic and character issues. The core values we desire to exhibit in all of our programs permeate from the Athletic Director, Coaches and staff, as we pursue excellence in intercollegiate athletics, as well as the departments overall mission of enhancing and supporting the intellectual purpose of the College and its standards and traditions. Displaying integrity in decisions and actions, building relationships based upon trust, giving respect to those we encounter, and pursuit of purpose through teamwork, are the main core values we expect our staff and student-athlete to exemplify.
Institutional Policies
The institutional policies found in the college catalog are the minimum requirements for students attending this college. The Athletic Department recognizes that athletics may require more guidelines to ensure proper function within the system. Therefore, student-athletes must adhere to all policies of the institution and the Athletic Department.

Student Handbook
The College has more compensative academic expectations as the institution is committed to excellence in learning, student achievement and success, leadership, service to the community, and to providing a quality environment for achieving personal excellence and growth. The Student Code of Conduct (the Code) sets forth standards that are expected of all students and is developed as a means of implementing fair and consistent standards of student conduct and due process procedures. The Code outlines students’ rights and responsibilities and the College’s expectations with respect thereto. Every student is expected to be aware of the obligations and responsibilities imposed by the Code and comply with it. For more information on the Student Handbook visit, https://centralaz.edu/wp-content/uploads/2020/09/Student-Handbook-2020-2021-revised.pdf.

Student-Athlete Academic Expectations
CAC student-athletes should approach their academic goals with equal or greater intensity than they give their athletic goals. It is expected that student-athletes will graduate from Central Arizona College. To encourage and stress the importance of academic success (student first, athlete second).

- Student-athletes are responsible to meet with instructors prior to absences to prepare for any missed work. Regular class attendance is critical to academic success.
- Ensure that athletes maintain a GPA of 2.0 or higher and enroll in at least 12 credit hours per semester in order to participate students under letter of intent and receiving athletic financial aid will be required to maintain a 2.0 GPA.
- The Athletic Department and coaches will make periodic grade checks throughout the semester to ensure athletes are keeping their grades at or above acceptable levels and attending class.
- Students may be required to receive academic assistance if grades fall below required levels or if they are experiencing difficulties.
Academic Integrity
No matter what stage of your educational or professional career pursuits, acting with integrity is a cornerstone of leadership and good citizenship. Integrity is a character-driven commitment to honesty, doing what is right, and guiding others to do what is right. CAC students and faculty are expected to act with integrity in their educational pursuits. Academic dishonesty falls into five broad areas that include but are not limited to:

1. Cheating on an academic evaluation or assignment.
2. Plagiarizing.
3. Academic deceit, such as fabricating data or information.
4. Aiding academic integrity policy violations and inappropriately collaborating.
5. Falsifying academic records.

It is important that you understand what constitutes a violation of academic integrity. The CAC community is here to help you stay informed and to provide resources to avoid these kinds of violations. Most importantly, if you are not sure if something is really cheating, ASK.

NCAA Qualifier/Nonqualifier
The NCAA Eligibility Center is an essential step in becoming eligible to play college sports. Over 180,000 potential college athletes register with the NCAA every year. If you want to play NCAA college sports and receive a scholarship at the DI or DII level, you will need to register and be cleared by the NCAA. The Eligibility Center is the organization within the NCAA that determines the academic eligibility and amateur status for all NCAA DI and DII athletes. For more information visit https://web3.ncaa.org/ecwr3/.

Qualifier:
- Minimum one full-time term attended.
- Average of 12 hours transferable per full-time term. (e.g., three terms = 36 transferable)
- 2.5 GPA on transfer credit.

Non-Qualifier:
- Graduate from a two-year College.
- Minimum of three full time terms attended.
- Minimum 48-semester or 72-quarter hours transferable.
- Six/eight hours transferable English, three/four math, three/four science.
- 2.5 GPA on transfer credit.

Academic Planning & Advising
Plan out all of the classes needed to graduate or transfer to a four-year college or meet with the College Advisor. Academic advising is a central component of your educational and career plan. Advisors can assist you in defining and achieving your goals. Central Arizona College is here to help you create your educational and career plan. For more information on academic planning and advising visit, https://centralaz.edu/academics/advising/#tab-id-5
Class Attendance Policy
Perhaps the number one reason a student-athlete is not successful academically is a lack of class attendance. Your academic success is directly related to consistent class attendance. Students are expected to attend, be on time, and be prepared for all classes. Being late is the same as missing. Some students’ attendance will be randomly checked. Students are not permitted to miss class for athletic practices, meetings, etc. only in situations where there is an away game and/or excused emergency situations. Make sure you understand and follow each instructor’s attendance policy. Absences from class due to authorized participation in college-sponsored activities will be considered excused absences (if all the following criteria are met):

1. The faculty or staff sponsoring the activity shall provide a written list of students to all faculty at least one week prior to the absence.
2. Arrange for make-up assignments in advance. If this criterion is not met, the absence will be considered unexcused and no make-up will be allowed.

Dropping a Class
Student-athletes are not permitted to drop or add a course during the semester without prior approval from their coach and academic advisor. It is essential for student-athletes to be academically eligible for competition as well as graduate from Central Arizona College with an associate’s degree.
Academic Support
The Athletic Director, the Athletic Department and your coach are here to support you if you are struggling in your classes. Central Arizona College has many college resources to support students and the surrounding communities.

Learning Center
The Learning Center is a free instructional support service that provides tutoring and other resources to reinforce and supplement classroom instruction for all registered Central Arizona College (CAC) students. Students may use the Learning Centers to work on assignments, access the internet to gather information for courses, use the internet to register for courses, and/or access online courses. You will find highly qualified staff available to assist you at the Learning Centers.

Vision: The foremost choice for student support and tutoring excellence.

Mission: Tutoring students to become transformative, self-directed learners
          Reaching students via multiple modalities
          Understanding the value and diversity of each learner
          Empowering students through active learning

Values: Accountability
         Commitment
         Trust
         Understanding
         Availability
         Learning
Athletic Code of Conduct

The athletic code of conduct incorporates the CAC Student Code of Conduct and individual team policies. The Athletic Code of Conduct further defines expectations of the CAC Student Code of Conduct. You are to abide by all conditions defined in the Athletic Code of Conduct and make a Commitment to Excellence.

Student Code of Conduct

As an adult who is pursuing an education:

• You will act with common decency and respect for others’ rights and property.
• You will be honest in your academic work and all other campus and community activities.
• You will abide by all local, state, and federal laws.

The following activities may lead to disciplinary action and possible dismissal from the team, residence halls, and/or the college:

• Conviction of a crime or misconduct of any type that is an infraction of the establishment laws of the city, county, state, or nation.
• Possession of stolen articles or stealing.
• Malicious destruction of property.
• Life endangerment or threats to physical safety of other or self.
• Prejudicial student conduct, on or off campus.

Citizenship/Sportsmanship

• Student-athletes are expected to behave in a socially responsible and acceptable manner at all times.
• Student-athletes are expected to exhibit good sportsmanship. “Trash talk” will not be tolerated.
• As the Central Arizona College Athletic Department, we adhere to the principle values of ACCAC competition and sportsmanship. The ACCAC stands for:
  A: Accountability (Be responsible for one’s actions)
  C: Character (Live up to our own standards)
  C: Consideration (Treat others with respect)
  A: Action (Demonstrate integrity in every decision)
  C: Courage (Do the right thing)
Team Rules
The individual rules as stated above are the minimum rules required by the Athletic Department. Coaches may implement other rules that they feel are necessary for the success of their respective teams. These rules will be given to the Athletic Director in writing. Violation of any rule, regulation, or law may subject the student-athlete to team suspension, team dismissal, a Disciplinary Hearing, and possible loss of scholarship and/or suspension from the college.

Consequences
Consequences imposed by the Athletic Director/Coach may include, but are not limited to, the following:
• Written notification and probation from the athletic director or coach to the student-athlete.
• Temporary suspension from the team until prescribed conditions are met.
• Suspension from the team for a prescribed period. Indefinite suspension from the team.
• Dismissal from the team.

Physical Exams
All student-athletes participating in any one of the NJCAA certified sports must have passed a physical examination and provide documentation that has been administered by a qualified health care professional (MD/DO/PAC/NP) licensed to provide physical examinations prior to the first practice for each calendar year in which they compete. There will be no use or access to the athletic training room without a physical on file. Physicals must be documented on CAC physical exam packet emailed from coaches or found on athletics website. Physicals are valid for 13 months.
Athletic Training Room (ATR)
The Athletic Training Room’s primary function is to prevent, treat and rehabilitate injuries sustained by student athletes with emphasis being injury prevention. In the event of an injury, a complete treatment and rehabilitation plan is implemented to ensure a safe return to play. Student-athletes are encouraged to report injuries as soon as they occur, and to utilize the expertise of the Athletic Training staff to minimize time lost from athletic participation. Some injuries may be more serious and require referral to specialists. Athletes at Central Arizona College are fortunate in having the services of highly skilled medical professionals available in both Phoenix and Tucson area to assist in consultation of more problematic athletic injuries. Our team physician, Dr. Steven L. Porter, is located in Mesa/Gilbert and will have a monthly office visit in the CAC athletic training room.

Operational hours (during the academic year):
Monday – Thursday: 10:00 a.m. – 6:00 p.m.*
Friday: 7:00 a.m. – 1:00 p.m.*
Closed on Holiday/Breaks unless otherwise arranged
*other hours determined by sports specific game coverage

Athletic Training Room Policies
Report for all treatment, rehab, and doctor appointments on time.

Arrange treatment and rehabilitation times so they do not interfere with class and practice times. Proper attire and conduct are mandatory. Violations are reported immediately to coach. No food or drinks are allowed in the training room.

Allow adequate time for treatment and rehabilitation prior to practice remember several of your teammates may be getting treated as well. The athletic training room is not an excuse to be late. Equipment checked out to you from the athletic training room is to be returned when you are no longer using it. Do not take or remove items/equipment from athletic training room without permission.

If you are sick or if you need to see a doctor, contact the Head Athletic Trainer as soon as possible so that care can be coordinated. If the problem is an emergency, dial 911 or go directly to the hospital and contact your athletic trainer as soon as possible.

Use of the Athletic Training Room Facilities
Use of the athletic training room is strictly for those individuals who have completed a required preseason physical examination, are on an official athletic team roster, and are eligible under the NJCAA to receive treatment. The athletic training room will be locked when the training room is not in use. No student-athlete will be allowed in the training room at any facility without supervision. The athletic training staff must operate all therapeutic modalities. No videotaping will be allowed in any Sports Medicine facility without prior approval.
Treatment of Athletic Injuries
The Athletic Training Staff will make every effort to provide the best possible health care to the student-athlete. Immediate first aid and evaluation of injuries will be administered by the athletic training staff. If necessary, referral to a team physician will be coordinated by an athletic trainer. Medical diagnosis and prescribed treatment will be made through the team physician’s office. All appointments and referrals to any doctor or consultant shall be coordinated through the Athletic Training Department. Student-athletes should see a Central Arizona College Athletic Trainer before receiving medical care. Central Arizona College supplemental athletic accident insurance will only pay on medical bills related to an athletic injury. The treating physician is the final authority in determining when an injured athlete may return to practice or competition. If an injury or illness occurs after training room hours, please contact your athletic trainer as soon as possible. If the injury or illness is life threatening, call 911.

Athletic Accident Supplemental Insurance
Student athletes are required to have primary health insurance coverage. The insurance coverage provided through the college is “supplemental” or “secondary” accidental insurance only, meaning the primary insurance is billed first. The secondary accidental insurance only covers injuries that occur while the student athlete is participating in his/her school sanctioned sport activity. It does not include prior injuries, diseases, or general illnesses. Athletes must complete and return the Athlete Accident Insurance form and the Parent Insurance form to the head athletic trainer.

Drug Use Statement
It is the policy of the Central Arizona College Athletic Department that ALL student athletes refrain from the use of tobacco, drugs, and alcohol while on campus or at any time when representing Central Arizona College or one of its athletic teams. It is the policy of the Central Arizona College Athletic Department not to condone the illegal use of alcohol, tobacco or any drug. It is the policy of the Central Arizona College Athletic Department not to provide, permit or condone the use of anabolic steroids.

Student-athletes will be subject to drug-screening tests as part of the required, annual physical at the beginning of the academic year and will also attend a substance abuse awareness and prevention program provided by the CAC Athletics Department. Thereafter, all student-athletes will be subject to random testing during the academic year. This Policy addresses the use of alcohol and/or drugs which interfere with any student-athlete’s health and performance. This Policy is also designed to maintain the integrity of the athletic program.

The athletic department has the responsibility to require student-athletes to seek assistance in the treatment and rehabilitation of any identified problem. Mandatory screening for drug abuse will be required as a means of identifying problems. Assistance is intended to be cooperative and non-threatening; however, disciplinary action is an alternative when a student-athlete with an identified problem refuses to participate in available treatment and counseling programs.

(See policy number 591.)

Note: Possession or use of anabolic steroids is classified as a felony.
Hardships
The hardship provision of the NJCAA is available to student-athletes who are unable to complete a season of competition or did not satisfy one of the other eligibility rules as a result of any injury, illness or some type of an emergency beyond their control. A Hardship can involve an injury or illness which results in the student-athlete’s inability to complete a season. Prior to the injury or illness, a student-athlete must not have participated in more than 20 percent of the college’s regular season schedule or have participated in no more than two of the institution’s completed events in that sport, whichever number is greater. The injury or illness must also have occurred in the first half of the schedule resulting in the student-athlete being incapacitated for the remainder of the season. For more information on amateur status, go to www.njcaa.org/eligibility/eligibility_rules.

Scholarship Renewal and Cancelation
The scholarship agreement is signed for a period of one academic year. Renewal of the scholarship agreement occurs by recommendation of the head coach and approval by the Athletic Director and President. Cancellation or modification of grant-in-aid during the period of its effectiveness because of injury or good or bad athletic performance is prohibited. Cancellation of a grant-in-aid is permitted:

- Graduation (Student-Athlete's signature is not required)
- Withdrawal (Student-Athlete's signature is not required)
- Transfer (Student-Athlete's signature is required)
- Loss of Eligibility (Student-Athlete's signature is not required)
- Discipline (unrelated to athletic ability) found by the person or body in charge of general discipline at the institution, after following the same procedures as in other disciplinary matters, to be serious enough to warrant permanent suspension or dismissal from the athletic program - (Student-Athlete's signature is not required)
- Failure to Enroll (Student-Athlete's signature is not required) Reduction of Aid (Student-Athlete's signature is required)

Athletic Awards
Athletic awards are the responsibility of the head coach. All awards will follow the NJCAA, ACCC, and Athletic Department guidelines.
Travel and Transportation
The Athletic Department will provide all transportation necessary for an athletic team. This includes regular season games, and invitational, state, regional, and national tournaments. It is the responsibility of the head coach to ensure that all players travel with the team and are under his or her supervision.

Residence Life
By choosing to live in the Central Arizona College on-campus housing community, students agree to use language and display behavior that demonstrates commitment to the following principles that are an integral part of our purpose, values, and daily activities. As a resident of this campus, you are expected to adhere to the campus polices, living rules, and abide by the Residential Life Policies and Procedures outlined in the Residence Life Compendium. It is paramount that you understand that you live a community with shared spaces and it is very common that you will have to work with others in ways that you may not have to consider before moving on campus. Please remember to always be courteous, kind, patient, and most importantly, flexible. For the Residence Life Compendium visit, https://centralaz.edu/wp-content/uploads/2020/05/Housing-and-Residence-Life-Compendium-2020-2021.pdf.

Title IX
What is Title IX? No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving Federal financial assistance.

Title IX of the Education Amendments of 1972
Title IX prohibits discrimination on the basis of sex (gender) in educational programs and activities receiving federal financial assistance. Central Arizona College is committed to providing an environment free of discrimination on the basis of sex (gender), including sexual harassment, sexual misconduct, sexual assault, relationship (dating and domestic) violence, and stalking. Central Arizona College provides resources and reporting options to students, faculty, and staff to address concerns related to sexual harassment and sexual violence prohibited by Title IX and college policy.

Central Arizona College (CAC) is committed to eliminating sexual harassment and sexual violence. Each spring semester, we do a Sexual Assault-Conduct and Campus Climate Survey. The survey is designed with the purpose of assessing the knowledge, perceptions, and experience of CAC students in relation to sexual assault, other sexual misconduct, dating or domestic violence, stalking and other conduct that creates a sexually hostile environment. The office of Institutional Research administered the survey between May 10 and May 25. Which will allow for the Office of Title IX Compliance to prepare strategic goals related to Title IX.
