When a student is not making satisfactory academic progress, the student may appeal that decision based on extenuating/mitigating circumstances.

This appeal applies only to your attendance at Central Arizona College and is not automatically granted or transferable to another institution. Please notify the Financial Aid Office upon submitting your appeal if you would like to present your appeal before the Financial Aid Appeals committee. **At this time, you are responsible for all educational costs. Complete and return this form with all supporting documentation to a CAC campus near you.**

**STEP 1**

To find out the type of your appeal you need to submit, log into your student portal and follow these steps:

- Academics > Degree Audit > SAP Status field

☐ **Academic Progress Appeal** is required when the completion rate percentage falls below 67 percent (earned credits ÷ attempted credits = completion rate %) and/or the cumulative GPA falls below 2.0.

☐ **Maximum Timeframe/Degree Evaluation Appeal** is required when attempted credit hours exceeds 150% of credits required for program (required program credits × 150% = maximum timeframe credits). For example, an AA Degree requires 64 credits, (64 × 1.5 = 96) therefore, 96 or more attempted credits exceeds the 150% requirement. This also applies when a degree or certificate is earned.

*Please refer to The SAP policy printed on the backside of this form. Note: These calculations are determined each semester.*

**STEP 2**

**Documentation required:**

For **Academic Progress Appeal**-Submit a detailed letter (typed) explaining in your own words, the circumstances that prevented you from maintaining satisfactory academic progress (SAP). Also explain the steps you have taken or will take to ensure SAP. Include documentation to support your letter of explanation. If you are submitting an additional letter from an employer, doctor, hospital or business, please have it TYPED and on their company letterhead or notarized.

For **Maximum Timeframe/Degree Evaluation Appeal**- Submit a detailed letter (typed) explaining in your own words the circumstances that caused the accumulation of credits and your current educational goals. Work with an advisor to prepare and submit your Master Academic Plan/Degree Evaluation this may also be required for your **Academic Progress Appeal**, if so the financial aid office will request it. Only one program can be approved for funding.

**STEP 3**

**Processing Timeline:**

**Academic Progress Appeal**-If you are submitting this appeal after the first two weeks of the semester, a progress report e-mail from your instructors confirming your attendance and current grade must be emailed to finaid@centralaz.edu with “FA Appeal” in the Subject Line.
