

Location: Superstition Mountain Campus Certificate: Commercial Electrician Installer

CONTACT:

itst.advisor@centralaz.edu or ross.ector@centralaz.edu

Program Description: The Commercial Electrician-Installer Certificate prepares individuals for an entry-level position in the commercial electrician field. The program focuses on fundamental knowledge attained in accordance with National Center for Construction Education and Research (NCCER) standards. Options within the certificate allow individuals to tailor their career pathway with additional skill sets. This certificate also offers the opportunity to obtain national certification from the NCCER.

Use this Program MAP as a guide to choose courses with your advisor and track progress toward milestones and completion of program. Work with an advisor to customize your plan to align with your specific career and/or transfer goals.

Notes:

SEMESTER BY SEMESTER PROGRAM PLAN FOR FULL-TIME STUDENTS

Plans can be modified to fit the needs of part-time students by adding more semesters
