

Location: Signal Peak Campus

Certificate: Fundamentals of Pipe Welding

CONTACT: itst.advisor@centralaz.edu

Program Description: The Fundamentals of Pipe Welding Certificate prepares students for employment as an entry level welder and welder/pipefitter helper.

After completion of this certificate, students may continue on to pursue the Pipe Welding/Pipefitting Certificate or the Pipefitting/Pipe Welding Technology AAS Degree.

Use this Program MAP as a guide to choose courses with your advisor and track progress towards milestones and completion of program. Work with an advisor to customize your plan to align with your specific career and/or transfer goals.

Note: Prior experience in Welding or knowledge from High School Agriculture program is helpful.
