The Federal Direct Loan Program provides low interest loans to college students to assist with educationally related expenses. To borrow subsidized and/or unsubsidized Federal Direct loan funds, you must be enrolled in a minimum of six (6) credit hours and working towards an eligible certificate or degree program from Central Arizona College (CAC). If you are a first time borrower, CAC will delay the first installment of Direct loans by 30 days. We strongly suggest that you only borrow the amount you truly need, as these are loans that incur debt and must be repaid. For detailed loan information and terms, visit our financial aid website.
