Program Description: Central Arizona College's Concurrent Enrollment Program (CEP) allows students to complete their Bachelor's of Science in Nursing (BSN) with CAC and ASU. This pathway is mapped to ASU. A BSN prepares students to specialize in clinical practice, teaching, or administration.

Use this Program MAP as a guide to choose courses with your advisor and track progress towards milestones and completion of program. Work with an advisor to customize your plan to align with your specific career and/or transfer goals.

Pre-Degree Requirements: CAC's Nursing Program is a competitive program that accepts only the top 30 applicants for each application period. Students will be required to take summer classes. Before applying to the program, students need to have completed:

- LNA (Licensed Nursing Assistant) or LPN (Licensed Practical Nurse)
- Attendance at a nursing information session within one year of application
- Completion of BIO201 Human Anatomy & Physiology I and BIO202 Human Anatomy & Physiology II within five years of application (BIO181 or BIO156 or placement test may be required for BIO201 or BIO205)
- MAT097 OR MAT121 OR higher OR MAT087 and MAT141*(See 2nd page.)
- Completion of HESI nursing entrance exam within three attempts with the following scores: 80% minimum with 90-95% preferred on Reading Comprehension, Grammar, Vocabulary, and Mathematics and 70% minimum with 80% preferred on Anatomy/Physiology. (A 30 day wait is required before retesting.)
- Cumulative GPA of 3.0 or higher in all CAC and ASU prerequisite courses

NOTE: ASU does not recommend CEP students obtain an AGECE (Arizona General Education Curriculum), so students need to follow the

✦ Must select course from the AGECE list
